Applicant asserts that the Szurkowski reference does not disclose maintaining , with the second computing system, multiple application programs to convert attachment files to images in the file formats.

Examiner respectfully disagrees. Szurkowski clearly discloses the Email processor is capable of separating attached files from incoming messages, feeding these files in memory in facsimile images and to convert files into memory in facsimile images (see figs.1, 2, col.1 line 4 to col.5 line 63 and col.7 line to col.8 line 65).
